

This floating lift station degreaser uses the natural cleaning power of Limonene from orange peel extract. The powerful solvent cleaner strips away heavy grease accumulations from walls and pumps and quickly dissolves grease balls. It deodorizes as it cleans and leaves the clean scent of fresh oranges.

The special floating formula washes down the sides of the lift station as the water level rises and falls. The all natural ingredients work quickly and effectively without the environmental hazards or disruption of biological treatment processes.

#### **DIRECTIONS**

Use approximately 1/2 gallon for each square foot of water surface. This special non-emulsifiable formula floats on the surface for continuous cleaning action.

**STRIPS AWAY GREASE WITH  
THE POWER OF LIMONENE**

**CONTAINS NO  
PETROLEUM SOLVENTS**

#### **CAUTION – COMBUSTIBLE**

Harmful or fatal if swallowed.  
See side panel for further cautions  
and first aid instructions.

**KEEP OUT OF REACH OF CHILDREN**
