

NEW REVOLUTIONARY FORMULA THE ENVIROTERRA™ ADVANTAGE

Every once in a while a product comes along that changes forever the way things are done. **EnviroTerra** is such a product. This acid replacement was developed to meet the needs and demands of the market place for safety without compromising cleaning performance. **EnviroTerra** is a powerful yet safe multi-functional cleaner that combines the high cleaning performance of an acid with the mildness of liquid dish soap.

DIRECTIONS FOR USE:

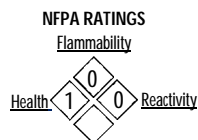

EnviroTerra can be used full strength or with the recommended sprayer or foamer diluted with up to 25 parts of water, depending on the application, the surface and the severity of the soil. Spot check hidden area of surface to be cleaned first. Let stand for a few minutes or longer. Wipe with cloth, sponge or swab and rinse thoroughly with clean water.

Avoid contamination of food in the use and storage of this product. Surfaces subject to direct food contact must be rinsed with potable water.

PLEASE NOTE: This product should not be used on marble. Test on an inconspicuous area, if uncertain.
