

**DIRECTIONS:**  
For best results, allow this product to reach room temperature before using. This product can be used as is or mixed with up to 50% warm water and shaken until milky emulsion forms. Apply directly to rollers until clean. Saturate rag and thoroughly clean blankets.

**CAUTIONS:**  
Contains volatile, combustible petroleum distillates. Keep product away from heat, sparks or flame.

**TARGET ORGAN EFFECTS:**  
Vapor may cause respiratory system irritation or unconsciousness at high concentration. Use local ventilation as necessary. Contact with skin will cause drying and may cause irritation. Wear solvent resistant gloves. Contact with eyes will cause irritation. Wear eye protection.

**FIRST AID:**  
**INHALATION:** Move victim to fresh air, give oxygen if breathing is labored. Call physician. **SKIN:** Wash with soap and water. Remove contaminated clothing. **EYES:** Flush with water for 15 minutes. Call physician. **INGESTION:** Do not induce vomiting. If vomiting occurs spontaneously, keep head below hips to prevent aspiration of liquid into lungs. Seek medical attention immediately.

**FIRE PROCEEDURE:**  
Use water fog, foam, dry chemical, or CO2.

**SPILLS OR LEAKS:**  
Absorb spill with inert material then place in a chemical waste container. Prevent entry to sewers.

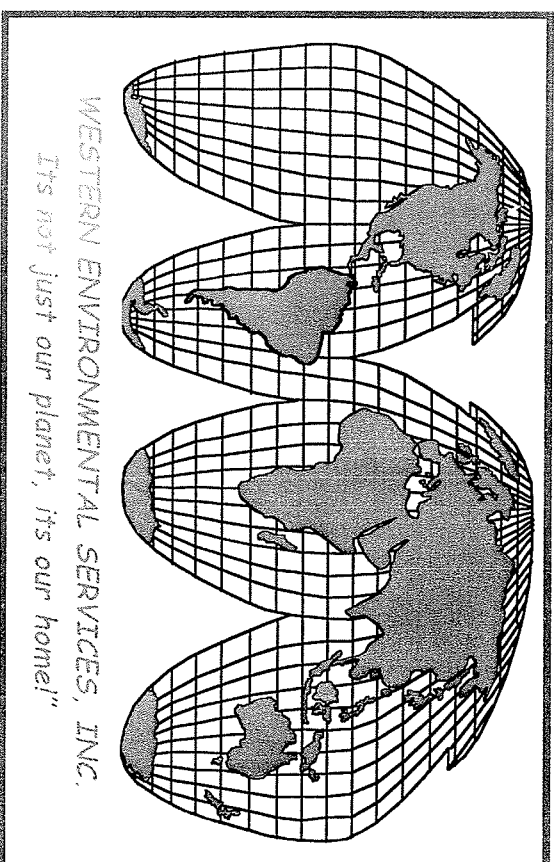

**EMPTY CONTAINER:**  
Residual vapors may explode on ignition. **KEEP IGNITION SOURCES AWAY.** May be reconditioned, recycled, or disposed if drip-dry empty. Improper disposal with hazardous contents is **ILLEGAL.** Residual vapors may explode on ignition. **KEEP IGNITION SOURCES AWAY.** May be reconditioned, recycled, or disposed if drip-dry empty. Improper disposal with hazardous contents is **ILLEGAL.**

**PHOTOCHEMICALLY REACTIVE**  
**CAUTION: COMBUSTIBLE LIQUID AND VAPOR.**

**VOC 6.76 LBS/GAL**
