

This potent vandal mark remover will wipe away paint, marker, ink, lipstick and other marks from walls, sidewalks, and reflective road signs, washroom walls, formica counters, desk tops, buses and trucks, mirrors, lockers, concrete structures and all metal surfaces.

This cleaner may be used on all ceramic or porcelain tile, glass, marble, brick, stone, concrete, formica, enamels, vinyl and all metal surfaces. Use caution when applying to synthetic surfaces that may be damaged by solvent, such as rubber, asphalt tile, some paints and certain plastics. Test the surface by spraying in an inconspicuous area first.

DIRECTIONS: Spray directly on mark, or apply to cloth and rub into mark. Allow several minutes to penetrate then wipe with a clean cloth. Difficult marks may require a second application or a longer time to loosen mark. On porous surfaces, scrub surface with a stiff brush before wiping dry.
